A friend in need

Peter was a boy of ten, tall and slim with fair curly hair. He was good at all the subjects. One day he came to school and realized that he had totally forgotten to do his homework. His best friends refused to help him and he fell out with them. He went to the backyard of the school. His classmate Jack was passing by. Jack was a cute boy with big brown eyes, dark hair, dark skin. He was the top of the class. Peter thought him a big-head and he got on badly with him. Jack came up to Peter, asked him if he needed any help. Peter told him that he had forgotten to do his homework. Jack helped him. This story taught Peter an important lesson, "A friend in need is a friend indeed."
