(120-150 words)

A friend in need.

One day there were two boys in the laboratory, Mike and Josh. Mike had short brown hair and Josh had curly red hair. Mike pointed to the door and said in whisper:

- This is my sister, we get on badly, so we fell out with her. She wants to make up, but I'm still angry ~~at~~ with her. Please, don't tell her where I am.

- Okay! - said Josh. And then a teacher came into the classroom, he looked like a big-head.

After school Mike's sister came up to Josh and asked:

- Hi, you're Mike's friend, do you know where did he go?

- No, I don't know, he didn't tell me. - answered Josh. After that the sister left and Mike came up to Josh and thanked him:

- Thanks, you're such a good person, you're good at maths, on the top of the class and also very friendly!
