**PROCEDURAL RULES  
of the Qualifying and Final Stages  
of the Interregional Subject Olympiads  
of Kazan (Volga Region) Federal University  
for 2024/2025 Academic Year**

## **1. General Provisions**

The present Procedural Rules are developed in accordance with Part 3 of Article 77 of the Federal Law No. 273-FZ of December 29, 2012 "On Education in the Russian Federation", in accordance with the Order of the Olympiad for School Students, approved by Order of the Ministry of Science and Higher Education of the Russian Federation of No. 566 of June 22, 2022, Regulations on Interregional Subject Olympiads of Federal State Autonomous Educational Institution of Higher Education "Kazan (Volga Region) Federal University" No. 0.1.1.67-08/47/2024 of August 27, 2024 (hereinafter referred to as the Regulations) and determines the order and terms of participation in the Interregional Subject Olympiads of Kazan (Volga Region) Federal University (hereinafter referred to as the Olympiads) in the academic year 2024/25.

## **2. General Procedure for the Olympiads**

2.1. The Olympiads are held in two stages:

– The qualifying stage, which is held in distant mode with the use of distance learning technologies;

– the final stage, which is held in person, including with the use of distance education technologies that ensure real-time identification of the participants of the final stage of the Olympiads and control of their compliance with the conditions and requirements for the Olympiads, established by the organizer of the Olympiads.

2.2. All stages of the Olympiads are held in the subjects listed in Appendix 1 hereto.

2.3. The Olympiads shall be held on a voluntary basis among students of the 5th-11th grades of general educational organizations mastering educational programs of basic general and secondary general education, as well as among persons mastering these educational programs in the form of family education, self-education or abroad, and students mastering educational programs of secondary vocational education in the field of Arts.

2.4. General information is published on the official website for the Olympiads:

- for citizens of the Russian Federation - <https://malun.kpfu.ru/mpo> (hereinafter referred to as the Olympiad website);
- for foreign citizens - <https://malun.kpfu.ru/mpo/fc> (hereinafter referred to as the Olympiad website for foreign citizens)

## **3. Registration of Participants**

3.1. Participants shall register distantly on the website for the Olympiads and the Olympiad website for foreign citizens.

3.2. Upon registration, a login and password for entering the personal account, as well as the ID number of the Olympiad participant are formed. Participants are not allowed to give their login, password and ID-number to third parties. Participants are obliged to keep their login, password and ID-number until the end of the Olympiad.

3.3. To participate in the Olympiad, the participant should fill in all fields of the tabs "About me", "Address and passport" in his/her personal profile and sign the Consent for processing personal data.

3.4. In the personal account the participant fills in the electronic forms in Russian. Foreign citizens, participants of the Olympiad, shall fill in the personal account in English in exact accordance with the passport (in case of absence of the passport it is allowed to fill in exact accordance with the passport of the citizen of the country) and in Russian in exact accordance with the notarized translation of the passport (in case of absence of the passport it is allowed to fill in exact accordance with the passport of the citizen of the country). The participant is responsible for the completeness and accuracy

of the data provided by him/her in the registration form. It is forbidden to fill in the data with the Caps Lock key pressed. Claims related to incorrect or incomplete data filling in the personal cabinet of the participant or technical problems arising during the remote registration are not accepted or considered by the Organizing Committee after the end of the registration for the final stage. In case of detection of incomplete or unreliable information, the Organizing Committee may decide to disqualify the participant.

3.5. Participant who took part in the Olympiads in previous years can use his/her personal account without re-registration for the 2024/25 academic year, provided that his/her personal data are updated. The Organizing Committee will not accept or consider any claims related to the fact that the personal account data have not been updated after the end of registration for the final stage. In case of detection of incomplete or unreliable information, the Organizing Committee may decide to disqualify the participant.

#### **4. Procedure for the Qualifying Stage of the Olympiad for citizens of the Russian Federation**

4.1. Participants of the Qualifying Stage shall complete tasks in distant mode during one session from 08:00 on November 1, 2024 to 23:59 on November 29, 2024 (Moscow time).

4.2. The Qualifying Stage in Computer Science will be held online in PCMS testing system after the registration on website for the Olympiads. Tasks are posted in three packages of 5 tasks each and are available from the time of posting until the end of the Qualifying Stage. The score for the Qualifying Stage is calculated as a sum of points received for all 3 packages of tasks.

Dates of publishing the packages:

- Package No. 1 - November 1, 2024;
- Package No. 2 - November 11, 2024;
- Package No. 3 - November 20, 2024.

To check the task participants should send the source codes of the program, which are checked on a set of tests, and, based on the number of tests passed, points are awarded for each task. A participant can get a maximum of 100 points for each task. Maximum score for 3 packages of tasks is 1500 points.

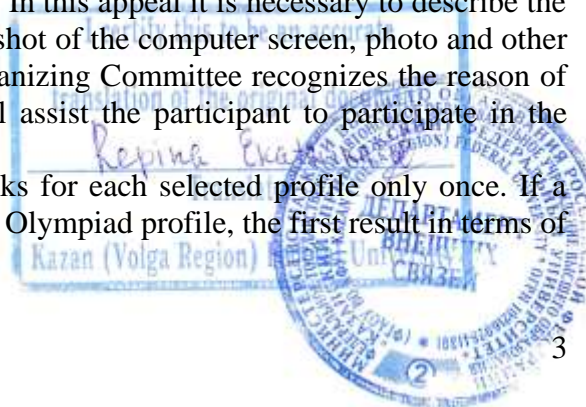

The list of available compilers in the testing system: C++, Java, Python, Pascal.

4.3. The Qualifying Stage in Design is held in the form of a creative task. During the Qualifying Stage, specified in paragraph 4.1, the participant shall complete the task in accordance with the instructions to the task and upload it in electronic form in the personal account. The work is uploaded once in the “Qualifying stage” tab in the personal profile, and only single file is allowed to be uploaded. The work must not contain any marks not related to the task or indicating the authorship of the work (including in the file name). In case of non-compliance with these requirements, the Organizing Committee has the right to cancel the work.

4.4. In case of a technical failure, the participant can log in to the Olympiad system again, if the set time of the task has not expired.

4.5. In case of a technical failure that deprived the participant of the opportunity to participate in the Olympiad through no fault of his/her own, the participant has the right to send a written appeal to the Organizing Committee to the e-mail mpo@kpfu.ru within three working days after the failure and not later than on the day of publication of the ranking lists. In this appeal it is necessary to describe the incident in detail and attach supporting documents (screenshot of the computer screen, photo and other documents with the error message). Provided that the Organizing Committee recognizes the reason of technical failure as valid, the Organizing Committee will assist the participant to participate in the Olympiad again.

4.6. Any registered participant can complete the tasks for each selected profile only once. If a participant has completed the tasks more than once for one Olympiad profile, the first result in terms of time will be counted in the rating table.

4.7. The duration of the qualifying stage session for each profile is counted from the moment of pressing the “Start testing” button and is specified in Appendix 1 to these Regulations.

4.8. If the participant does not press the ‘Finish and submit for checking’ button after completing the tasks, the result will be counted as 0 points.

4.9. From December 2, 2024 the answers to the Olympiad tasks are available in the personal accounts of the participants on the Olympiad website

4.10. The ranking lists of participants for each profile shall be published no later than 23:59 on December 6, 2024.

4.11. Applications for appeal will be accepted from the period from December 7 to 9, 2024 in the personal account.

4.12. Final results of the qualifying stage will be published on the Olympiad website no later than 23:59 on December 17, 2024.

4.13. Winners and prize-winners of the qualifying stage are determined on the basis of the rating table of the Olympiad participants, formed on the basis of the sum of points received by the participant for fulfilment of the Olympiad tasks, taking into account the results of an appeal.

4.14. The total number of winners and prize-winners of the qualifying stage of the Olympiads shall not exceed 45% of the total number of participants in the relevant profile.

4.15. Ranking lists and final results of the qualifying stage of the Olympiads for all profiles are published on the Olympiads website, according to the ID numbers of the participants.
