Part 4

Are modern teenagers still interested in reading books?
Today, we are going to talk about books. Books are very important for us, because we always learn something new. But now most of the people don't read that much. ~~It is because now we~~

Modern teenagers still interested in reading books. Especially teenagers like to read detectives and adventure books. ~~Most of teenagers don't enjoy~~ 3

don't enjoy reading classical books,
which they have to read in school.
It happens because ~~the~~ teenagers
don't have a right to choose what
to read.

For example, I ~~am~~ am not into reading
very much. But I have read ~~an~~
an amazing sci-fi book. It was
about space. I was reading it for
pleasure and I liked it a lot. I
~~believe, library is the best place~~
When it comes to reading, I prefer

I think it's a bad idea. It's a strain for eyes, especially for kids and teenagers. Their organism is still growing, so you can easily screw up your health. But let's get ^{back} to the point. Teenagers are ~~set~~ interested in reading, but they only want to read what they want. Teenagers have school and hobbies, so they don't read very often. They also prefer watch videos or play video game rather read
