PART 4. WRITING

I think that if there won't be winter in Russia anymore our country will change a lot. Winter is some kind of symbol of Russia for foreigners. In every American film Russia is always snowy and cold. Russian life will change a lot too. Most people here like snow and children really love it because they can play snowballs, make snowmans, skate and do some more interesting and funny things. I will be unhappy if this ^{wonderful} season disappears one day. I like winter very much. At last because we celebrate new year ~~in~~ ⁱⁿ winter. I like the 23rd of February holiday too. I'd like to winter always be in Russia.
